our illustrious legacy of excellence

Established in 1996, Sharda Group is a multi-million-dollar conglomerate which is focused on building a better world through business operations in diverse areas like Education, Healthcare, Information Technology, Startups, Engineering Equipment, Construction, Biotechnology, Hospitality and Skills Development.

The Group is proud to be one of the drivers of change in building a world where intellectual minds will thrive, everyone will have access to good health, edifices of excellence will define the skyline and new age IT solutions will set new benchmarks.

With five campuses and 40 offices spread across 300 acres, Sharda Group is proud to shape the dreams of 26000+ students on its campuses from 95+ countries. A journey that started with establishing North India's first self financed private engineering college in Mathura (U.P.) viz, The Hindustan College of Science & Technology which took a bigger shape with the setting up of Sharda University campuses in Greater Noida, Andijan Uzbekistan & Agra.

The 90,000+ flag bearers of Sharda, its Alumni across the globe, are an apt reflection of an illustrious legacy to think beyond boundaries. The Group is touching the lives of 15 million people and has operations in India, Uzbekistan and plans to expand further to the other CIS countries and Africa.

Director's Message...

Prof. R. S. Pavithr, Ph.D., (Computer Science)
Director

Hindustan College of Science and Technology (HCST), established in 1996, has grown into one of North India's leading private engineering institutions. Guided by a vision to create a knowledge-centered ecosystem, HCST focuses on holistic development, blending academic excellence with innovation and research. The college offers a variety of programs, including B.Tech in nine engineering disciplines, *BBA, *BCA, MBA, *MCA and M.Tech courses. The institution is known for its state-of-the-art infrastructure, advanced laboratories, and a team of experienced faculty dedicated to both theoretical and practical learning.

Beyond academics, HCST emphasizes holistic development through co-curricular and extracurricular activities. These include the National Cadet Corps (NCC), sports for physical fitness, and yoga to promote mental and physical well-being. The college believes that education should foster not only intellectual growth but also the overall development of students, encouraging personal growth, resilience, and leadership skills.

With a commitment to developing well-rounded individuals who are academically proficient and physically and mentally fit, HCST prepares students to face the challenges of the modern world with confidence. Through its comprehensive educational approach, HCST aims to nurture future global leaders and entrepreneurs, instilling in them high moral and ethical values for the betterment of society.

Director's Message...

Dr. Naveen Gupta, Ph.D., IIT Roorkee, Gold Medalist
Director

It is my pleasure to welcome you to Hindustan Institute of Management and Computer Studies.....

The objective of imparting education, combined with creation, dissemination and application of knowledge, are being met in an integrated form in this college, to create a synergetic impact. Fulfilling these objectives, we conduct a wide range of diversified activities including training, teaching, consulting, research, and intellectual development.

The MBA & MCA, offered by the institute subject the students to an overall transformation, training them to be better professionals, and better human beings. The programmes lay emphasis on all-round development of the students and inculcate human values and professional ethics in them. The mode of learning at HIMCS is different from other B-Schools. We emphasize on Experiential Learning, and believe that the market is the lab for the students. We encourage learning beyond the classroom, picking up case-studies from around us, observing the traditional negotiation skills and to learn business wisdom from every nook and corner.

CAMPUS

FARAH, MATHURA

The Campus houses two Colleges viz. the Hindustan College of Science & Technology (AKTU Code-064) and Hindustan Institute of Management & Computer Studies (AKTU Code-067)

Hindustan College of Science & Technology is the first self-financed private engineering college in North India, established in 1996, affiliated to Dr. APJ Abdul Kalam Technical University (AKTU), Lucknow and approved by All India Council for Technical Education (AICTE), New Delhi.

Earning a college degree is all about opening up opportunities in life. It prepares you, both intellectually and socially, for your career and your future life. The benefits of a college education include better career opportunities like improved paying and higher-skilled jobs, respect in society. It requires a lot of hard work, but that work prepares you for a challenging and rewarding career and more fruitful life. We have consistently focused on developing our students to achieve these goals by enhancing knowledge levels, domain skills and professional ethical behavior and soft skills and no wonder our Alumni are working across the Globe today in top positions.

The colleges are situated at the 26 km milestone from Agra on the Agra-Delhi Highway (NH-19). It has a sprawling campus spread across 29.4 acres of land. Its state-of-art facilities give opportunities to develop leadership skills and to achieve professional excellence.

Hindustan Campus offers courses in various branches of Engineering, Management & Computer Application. The Hindustan College of Science & Technology has been awarded NAAC 'A+' Grade for its excellent facilities and outcome based education (and stands at 3rd position in NAAC scores of A+ Grade amongst all the Colleges affiliated to AKTU).
